

PROFESSIONAL DEVELOPMENT INTEREST FORM

The Virginia Infant and Toddler Specialist Network (ITSN) has Professional Development Opportunities for infant and toddler child care providers to (i) earn their Child Development Associate (CDA) Credential (Infant/Toddler, Family Child Care), Virginia Department of Social Services (VDSS) Infant and Toddler Endorsement or Infant Toddler Career Studies Certificate, (ii) learn about the IMPACT Registry, and (iii) receive scholarships and incentives.

If you work with infants and toddlers and would like to apply for assistance with any of these opportunities, please complete this form and email it to pd@va-itsnetwork.org <mailto:marys@cdr.org> or fax to 757-378-2791.
